

## FINAL RESULT OF NAVGURUKUL OFFLINE EXAM & 3 INTERVIEW STAGES

**As declared by Navgurukul NGO and submitted to TRTI, Pune.**

On 24th November, 2020 a screening test was conducted as part of the 1st round of selection process for the Navgurukul course. This offline test was conducted across the state in each Project Office region. Students who passed the 1st offline test were interviewed at 3 stages to test their English skills, Algebra skills and Culture fit round. After counselling of the selected students by Quest team regarding the course and placements, 42 students have agreed to join the course in Navgurukul campus, Pune in Feb 2021. The selection process is still ongoing.

1) 114 students are in 'Tuition Group'. Tuition group is a whatsapp group created and managed by Navgurukul team. Students who failed Alebgra interview are added to the group and they are given time to study. Once the student feels she is ready, re-interview is conducted by Navgurukul team.

2) 258 students are 'Unreachable'. These students have network issue or are not receiving call by Navgurukul team. Respective Project Office to establish contact with them so that they can have a chance to appear for further rounds of selection process.

3) 34 students are 'Disinterested'. Disinterested means they are not interested in joining Navgurukul course for various reasons.

4) "Selected for Joining": These 99 students have cleared all rounds of tests and selected for the course. Although their date of joining the course is dynamic considering travel restrictions and other personal reasons. As of 25th Feb. 25 girls have joined the campus at Pune.
